## GUIDELINES FOR AUDITION MEDIA & PORTFOLIO SUBMISSIONS

This is your **one opportunity** to showcase your talents and excite Three Arts committee members to select you as a semi-finalist, and for judges to choose YOU as a scholarship winner!

1. Media should **CLEARLY** showcase you and your work. This is not a blind audition.
  - a. We must **SEE** you and your work! You are The Star!
    - i. You and your work need to be well-lit.
    - ii. Background setting should not distract.
    - iii. Camera can be stationary or in motion; motion needs to be smooth, not distracting, and not interfere with seeing you and your work.
  - b. We need to clearly **HEAR** your work, e.g. hear any music, vocals, narration, etc.
  - c. Focus your audition media on you and your work – not an accompanist, your feet, or walls.
  - d. Include a **clear photo of yourself**, preferably in context of your work.
2. Audition video should be **no longer than 3 minutes**. It can be edited or one take.
3. **Visual Art** applicants audition pieces: you may submit A or B below or both A&B
  - a. 4-6 **CLEAR** photographs showing key aspects of your work
  - b. a videotape showing or demonstrating key aspects of your work
4. **Musical theater and vocal music**: you may audition *a cappella*, with a music track, an accompanist, or any combination of those. Your voice must be heard distinctly from any music.
5. **Drama & Musical Theater**: audition pieces should avoid gratuitous or vulgar language. Example, “*What the F\*\*k?*” from **If/Then** is not a good choice to showcase your talents.
6. Clothing choice: it always helps to look your part. Choose colors where we can see you. If your clothing has a pattern, it should not be distracting.
7. Media File Names
  - a. Each audition media piece submitted needs a traceable filename in this general naming format:  
Lastname\_Firstname\_Category\_number  
EXAMPLE: Doe\_Janis\_VisualArt\_01 ←sequential numbers needed when submitting multiple audition media, such as photos 01-04, video 05
8. Media types/formats:
  - a. Standard media files readable on both PC and Mac are needed, e.g. MP4, WMV, AVI
  - b. Photos & image file formats: JPG or PNG. Convert RAW files before submitting.
  - c. Illustrations & digital designs: submit as PDFs, JPG, or PNG. Convert AI or EPS files.
9. Media links:
  - a. Submit files directly or use media links, e.g. Dropbox, Google Drives, YouTube channel, etc. Ensure ALL links can be accessed by [3ArtsScholarship@gmail.com](mailto:3ArtsScholarship@gmail.com)

### REVIEW YOUR MEDIA BEFORE SUBMITTING:

- Am I showcasing my best talent and work?
- Is it 3 minutes or less?
- Am I and my talent and work clearly visible?
